Profile

I am Veljko, a seasoned Web Developer with a focus on crafting high-quality websites for businesses. Proficient in English, both in spoken and written form, I possess exceptional communication skills coupled with a flair for creativity. My expertise lies in programming languages including HTML, CSS, and JavaScript. Additionally, I am adept at utilizing software tools such as Adobe Premiere Pro, Filmora, and Adobe Photoshop for proficient photo and video editing. Moreover, I am proficient in utilizing Figma and Webflow for web design purposes.

Education

Sep 2019 - May 2023

High school

Gimnasyum "9. may", Niš

During high school, I specialized in informatics and computing. Engaging in various projects like Hackathons and Gamejams, I honed my skills and problem-solving abilities.

Oct 2023 - Present

Bachelor studies of Computer Science

Faculty of natural sciences, Niš

Employment

Aug 2022 - Present

Web developer

Multiple companies

I've been commissioned for a diverse array of projects spanning from cafes and apartments to multifaceted product-oriented companies. I've meticulously documented my entire portfolio on my personal website.

Certificates

Jun 2017

HTML & CSS

I hold two certificates in web design, focusing on HTML and CSS. Since 2017, I've acquired extensive knowledge in these technologies, confidently affirming my proficiency in their application.

Jan 2022

Java Script

I completed a JavaScript course at the "Level Up" programming school. Considering the knowledge acquired from this course, I believe I am proficient in handling routine tasks.
